- PPR pipes and fittings from Turkey (+GF+ Hakan) for hot and cold Water.
- Stainless steel Floor Trap cover with anti-insect & rat Protection trap from Germany.
- PPR pipe cutter and welding machine - +GF+ Hakan and Candan from Turkey.
- PE Compression Fittings.
- Steel & Wooden Fire rated and normal flush doors.
- Roofing Tiles
- Fasteners
- Power Tools
- Sanitary fittings & Fixtures
- All type of fabricated U-Pvc materials like Grease Trap, End cap, Puddle Flange, Long Radius bends etc.

Zeal-it Building materials division is strategically positioned in Al- Wakra, Barwa Village reaching its wide range of customers.

TECNO PLASTIC ITALY

TP (formerly known as Tecno Plastic) is a dedicated brand of PVC fittings and valves for water piping systems. Each TP product is designed to meet the demands of the customers in specific application areas such as distribution, treatment and sewage water, public and private swimming pools, thermal pools and spas, aquariums and aquaculture, irrigation and fountains.

The raw material applied for TP products is in compliance with international standards mentioned in the table "PHISICAL PROPERTIES OF PVC-U". TP fittings are in compliance with the main international standards too, like ISO EN 1452-3, NF & KIA.

PRODUCTS

FITTINGS:

PVC-U fittings solvent cement jointing Metric Range . PVC-U fittings B.S.P Threaded range . PVC-U adaptor fittings range . PVC-U Adaptor fittings range with metal ring reinforced . PVC-U Fittings solvent cement jointing British Standard Inch. PVC-U adaptor fittings solvent cement jointing British Standard Inch plain/ISO metric plain . PVC-U adaptor fittings British Standard Inch plain/B.S.P threaded

VALVES:

PVC-U safeblock water ball valves . PVC-U not safeblock water ball valves . Spare parts for manual valves . PVC-electrical actuated ball valves for water . Spare parts for actuated valves . PVC-U irrigation black ball valves . PP irrigation cylindric valves . PVC-U one flow direction valves & spare parts . PVC-U butterfly valves & Kits . Spare parts for butterfly valves. PVC-U Actuated butterfly valves . PVC-U valves British Standard Inch.
